September 19th 2013

We’ve tried to choose a more contemporary selection of songs this time, but don’t worry; there are a few classics in there too.
You may notice that there are a few Christmas songs. This may seem early but we only have 4 meetings until Christmas, and something special is happening in Ossett on the very night of our December session. We’ll explain in full on Thursday.
I hope that you enjoy playing these tunes just as much as we enjoyed selecting them!

Kylie x
**Chorus**

Bless your soul you got your head in the clouds
C G
She made a fool of you and, boy, she’s bringing you down
Dm Am
She made your heart melt, but you’re cold to the core
C G
Now rumour has it she ain’t got your love anymore
